Commissioner for Patents

The Examiner takes off the strikethrough inadvertently put on the Foreign Patent Document 0935221 of the Form PTO 1449 mailed out on 10/16/09. However, as the Office action mailed out the same day paragraph 2 discloses, it is meant to strikethrough the European Search Report submitted on 08/06/2009 that DOES NOT HAVE AN ENGLISH TRANSLATION!! The examiner has not considered the four pages of European search report submitted because an English translation is required. And the examiner verifies that Foreign Document 0935221 has been considered.
